

④ Message from the Setagaya Fire Station

Autumn Fire Prevention Campaign 2018!

As part of the Autumn Fire Prevention Campaign, we will carry out the following to raise people's fire safety awareness and prevent fires, fire injuries/deaths and property damage.

1. Fire Prevention Achievement Commendation

We will commend the associations and people with excellent fire prevention achievements.

DATE: November 6 (Tue.), 2018

PLACE: CARROT TOWER (5F / Seminar Room) 4-1-1, Taishido, Setagaya-ku

2. Home Fire and Life Safety Checking

We will give fire and life safety advice at individual homes. Fire station members, community association executives and welfare association workers will help you have a fire-safe life.

DATE: Early to mid-November

PLACE: In the Setagaya FS service area

3. Shopping Area Inspection

We will give fire safety inspection to multitenant buildings around Sangenjaya Station and see how appropriately their evacuation and fire protection systems are managed.

DATE: Mid-November

PLACE: Around Tokyu Sangenjaya Station
