

## MESSAGE FROM KOJIMACHI FIRE STATION

### ***The Kojimachi Fire Station Will Hold the Open Fire Service***

~The 50<sup>th</sup> Anniversary of the Nagata-cho Special Rescue Team~

- ◆ March 24 (Sun.) / 1:00 p.m. - 4:00 p.m.
- ◆ Kojimachi Fire Station, TFD (1-12, Kojimachi, Chiyoda-ku)

The Nagata-cho Special Rescue Team was formed on August 1, 1969 as the TFD's first special rescue unit. This year marks their 50<sup>th</sup> anniversary! Since the team's establishment, the members bound by rigid ties have been working as a bridge between the fire service and the community. The Nagata-cho rescuers will keep on going with local residents for a safer tomorrow here in Kojimachi.

We will hold a commemorative event on March 24—the Open Fire Service, that is!
