

Let's Enjoy and Learn Together! Let's Try Together!

Life Safety Learning Centers

The Life Safety Learning Center is the facility where you can experience earthquake shaking, smoke, initial firefighting, first aid, etc. in a tour style. There you can enhance your disaster

preparedness with instructors. Visit the Life Safety Learning Center, and learn how to act calmly in emergencies.

Prevention of Accidents in Everyday Life Section

Tachikawa Life Safety Learning Center Homepage

※Opening Hours of the Centers: 9:00 a.m. to 5:00 p.m. Admission free.

※We accept walk-in appointments. Please be advised, however, that we may be unable to meet your request in some cases because of excessive reservations. Reservation in advance is therefore recommended.

Fire Museum

The Fire Museum exhibits the fire service history of old days: Edo era picture scrolls and nishikie (colored woodblock prints), Taisho era fire vehicles, the latest firefighting equipment, etc.

We offer in-house guided tours for adults and children from 1:45 p.m. They help you develop your knowledge about Japan's fire service.

Location: 3-10 Yotsuya, Shinjuku-ku, Tokyo
 (Get off at Yotsuya 3-chome Station on the Marunouchi Line. (Exit 2))
 Phone: 03-3353-9119
 Opening Hours: 9:30 a.m. to 5:00 p.m. (Admission free.)
 Closed Days: Mondays (If they fall on national holidays, the Museum will be closed on the following days.) and the period from December 29 to January 3.
