

◆ Private Fire Brigade Drill

- Know how the brigade is organized.
- Know what you should do.
- Keep yourself fully trained in reporting, initial firefighting and evacuation.

7

◆ Reporting

- Call 119 and tell:
 - * Your address.
 - * Building name.
 - * Floor on fire.
 - * What is burning.
 - * The people left inside.
- Report to the building safety center.
- Public address announcement

【Samples】

“The xx floor fire alarm has been activated. We are now checking. An announcement will follow shortly.”

“We have a fire on the xx floor. Follow the instructions of persons in charge and escape calmly. Don't use elevators.”

9

If a Fire Starts ...

◆ If You Find a Fire

- Alert others by shouting “Fire!”
- Follow the Chief's directions and/or do your own duty.

8

How to Call 119

- Write the building's address, name, phone number and landmarks on a card and keep it near the phone.
- Keep calm and tell the operator the building address, name and the ongoing situation.

【Reporting a Fire on the Telephone】
